Effective January 1, 1988, all full-time, non-seasonal employees of the Sanitation Department, exclusive of Sweeper Operators, shall receive a salary increase as outlined below:

- 1) All covered employees shall receive a 7.50% salary increase over their prior base salary or the minimum base salary for their job title, as established by ordinance, whichever is greater, without respect to the pro-rata adjustment for employees hired in 1987.

This new base salary shall be applied to all hours worked during the calendar month of January, 1988.

The resulting annual salary shall become the basis for their bi-weekly pay for the "5 day workweek" task system initiated on February 1, 1988.

(As an example, the gross bi-weekly base salary paid to a Sanitation employee assigned to a six (6) day workweek and paid on a "day rate" basis in January, 1988, shall be the same gross bi-weekly base salary paid on each bi-weekly pay period from February 1, 1988, to December 31, 1988, exclusive of absences without pay or emergency overtime.)
